## ACTION REQUIRED REFERENCES

A. EAVA-31974 dated 26 June 1963  
 B. EGMW-13001 dated 16 April 1963  
 C. EGMW-12775 dated 11 February 1963

1. The photographs of FROUS and ZDARSKY referred to by Munich Liaison Base in EGMA-62333 dated 3 June 1963 are photographs forwarded to Vienna Station in EAVW-16004 dated 18 January 1963, and EAVW-16644 dated 20 September 1962, respectively.

2. Despite the tentative identifications made by Headquarters and confirmed by the Vienna Station, @GRAMM insists that our photographs of FROUS and ZDARSKY are not of the individuals he saw in Vienna. Despite this and more because of other confusion which has arisen in Fall MONOGRAMM in the past, Headquarters feels that our identifications could still be valid and does not wish to reject them out of hand at this time, leaving final confirmation to future meetings, if any.

3. The Vienna Station will be kept informed of important developments in this case. We are enclosing copies of Reference B and EGMA-61566 dated 8 March 1963, which should bring your files on Fall MONOGRAMM up to date.
